

Press release

International Trade Fair for Technical Textiles and Nonwovens.

Moscow, IEC «Expocentre», pavilion 7

26-28 January, 2021

March, 2020

**The 12th exhibition of technical textiles and nonwovens
Techtextil Russia will be held 26-28 January 2021.**

Due to the assessment made by WHO on March 11, 2020, that the spread of coronavirus COVID-19 can be characterized as a pandemic, Messe Frankfurt RUS is forced to make a decision on postponement of Techtextil Russia. As the organizer of international trade fairs, Messe Frankfurt RUS pays great attention to ensure safe and comfortable conditions for our participants and visitors.

The exhibition will take place from 26 to 28 January 2021 at IEC “Expocentre”, Pavilion 7.

The 12th Techtextil Russia exhibition traditionally will bring together key industry players on its site.

More than a hundred local and foreign companies will present their achievements in

12 product categories:

- Nonwovens
- Technical textiles
- Coated textiles
- Fibers and yarns
- Technology, processes and accessories
- Composites
- Bondtec
- Special protective clothing
- Means of individual protection
- Research and development
- Association products
- Media and publishers

In 2019, 82 companies from 13 countries participated in the exhibition. Among them Stahl Holdings B.V., Hiltex Ltd., FIAB Sp. z o.o. Sp. K., IvanovoiskoZh JSC, Coats LLC, Olmax Ltd, Jinda Corporation Co., Ltd.

For 4 days more than 4000 visitors from Belarus, Belgium, Poland, Czech Republic, Italy, China and Russia attended Techtex^{til} Russia. More than 500 delegates took part in the events of a fringe program – Techtex^{til} Academy.

For the second time Techtex^{til} Russia will host Techtex^{til} Academy in the open area, which is located in the middle of the exhibition hall, where the largest players of the industry, as well as representatives of government organizations will raise the most relevant topics of the industry and share their experience of innovation.

For the fringe program of the 12 edition of the exhibition the organizers decided to focus on 3 application areas: Geotech, Medtech, Mobiltech. Speakers Techtex^{til} Academy 2021 will become the Federal Road Agency, the Russian Railways, group of companies Hexa, Huesker GmbH., research and development center Chimvest etc.

Background information on Messe Frankfurt

Messe Frankfurt is the world's largest trade fair, congress and event organizer with its own exhibition grounds. With more than 2,500 employees at 30 locations, the company generates annual sales of around €718 million. We have close ties with our industry sectors and serve our customers' business interests efficiently within the framework of our Fairs & Events, Locations and Services business fields. One of the Group's key USPs is its closely knit global sales network, which extends throughout the world. Our comprehensive range of services – both onsite and online – ensures that customers worldwide enjoy consistently high quality and flexibility when planning, organizing and running their events. The wide range of services includes renting exhibition grounds, trade fair construction and marketing, personnel and food services. Headquartered in Frankfurt am Main, the company is owned by the City of Frankfurt (60 percent) and the State of Hesse (40 percent).

Messe Frankfurt RUS is the Russian subsidiary of the international exhibition concern. The portfolio of the company contains 9 international brands of exhibitions and forums held in Moscow, Kazan and Astana. More than 40 highly skilled employees, who have experience in organizing events of various levels, are working for the company.
